

# **STUDENT TEACHING APPLICATION INSTRUCTIONS**

Please review these documents, but wait until you have attended a Student Teaching Application Meeting to begin preparing your application packets. Write down any questions you might have and ask them during the meeting, as the Director of Field Services will be reviewing all of the materials and will be happy to answer your questions.

We are here to help you and we want you to be successful. Professional behavior is an expectation of all teacher candidates. Meeting deadlines, attending meetings, and responding promptly to email inquiries demonstrate readiness for student teaching.

Upload signed mentor/principal interview forms to Google folder.

To begin the placement process you need to upload a student teaching application packet, containing a copy of the application form, a letter of introduction, and an updated resumé. Packets will be shared with your mentor teacher and the administrator in your placement school, as well as your field supervisor. It is important that your application packets be neat, clear and concise, and that your letter of introduction presents an interesting, engaging overview of you as a teacher of the 21<sup>st</sup> century and as a unique person. **THINK** before you write, **PROOFREAD**, and have another person proofread all of your materials.

**UPLOAD** the packets materials to your assigned Google folder by **December 13, 2024**.

Student Teaching is the final phase of your professional course work, and is the critical time for you to demonstrate your knowledge, skills and dispositions as they relate to the teaching profession. The success of your student teaching experience is based on how you apply what you know, understand and are able to do, in relationship to content knowledge, general and specific pedagogical knowledge, and how you apply what you know about students, families, communities and schools to assure success for all students. Student teaching emphasizes professional growth through reflective practice, acting on feedback, working collaboratively, and being respectful to students, families and colleagues.

**Important Information:** All eligibility requirements must be completed before you can do your Student Teaching, including meeting program grade requirements and completing the fingerprinting and criminal history record check (CHRC).

**DO NOT** arrange your own placements. A specific protocol needs to be followed by UMF. **PLEASE ADVISE OF ANY CHANGES IN ADDRESS.** Check e-mail regularly for information about Student Teaching.

DO NOT ASK YOUR PROFESSOR TO BE EXCUSED FOR THESE MEETINGS. You must choose one of each of these meetings to attend. You do not need to notify us of your choice, unless you are unable to attend any of the specified times because of conflicts with your class schedule. In that case, contact Kristin Hickey [kristin.hickey@maine.edu](mailto:kristin.hickey@maine.edu) to make alternative arrangements.

**CALENDAR FALL 2025**

Student teachers always follow the **public school district calendar** in which they are working. This can vary from the UMF academic calendar in some cases.

## **Planning for Student Teaching Placements**

We take the placements for student teachers very seriously. We consider the financial demands of our teacher candidates, and most importantly the effect that this 15 credit semester long experience provides for your future as professional educators. A critical goal of our program is for you to be a highly successful beginning teacher, which will afford you the best job opportunities, whether teaching in the state of Maine, other states, or internationally. Since we are accredited by the state of Maine and CAEP, we **MUST** meet guidelines related to CAEP Standards for student teaching.

We begin the placement process a year in advance and **PLANNING AHEAD FOR HOUSING, TRAVEL and Other Expenses When Student Teaching** is essential for all Education majors.

Parameters that we work with:

- In order for you to continue learning how to be successful in helping all students learn, placement schools with the following populations are most desirable:
  - English Language Learners (ELL)
  - Racial, ethnic and cultural diversity
  - Broad socio-economic status
- Placements are made by UMF field supervisors. Please refrain from making your own placement.
- Requests for placement in schools you have formerly attended is thoroughly considered before being approved.
- Your second and third choice placement areas must be realistic options. We distribute the cohorts based on the regions of the available field supervisors.
- The more you can tell us about your individual circumstances, the more likely we are to place you where you can be successful.
- See the document for the procedure for special requests and/or out of area placements.

See the Student Teaching Application for a list of towns and areas that are considered customary placement areas for student teaching.

Student teaching is the culminating field experience for UMF Education majors. It is extremely important in preparing students for their professional lives. When a student is approved for a special placement, it is important to understand that the student must assume additional responsibilities in order to successfully complete UMF's requirements for student teaching. Communicating and being comfortable with the use of technology are critical.

#### PROCEDURE FOR OUT OF AREA PLACEMENTS, INCLUDING INTERNATIONAL PLACEMENTS

The Director of Field Services:

1. Reviews the student's *special* request.
2. Meets with the student to discuss the *special* request, if located outside of UMF's customary placement areas.
3. Makes a decision regarding the request by reviewing the student's practicum experience(s) and talking with the student's academic advisor. The student's academic record will be reviewed, with the expectation of a GPA of 3.0 or higher.
4. Communication, follow-through, and work ethic are essential dispositions that must be demonstrated throughout the process.
5. Advises the student of decision regarding the *special* request; not all requests are approved. If request is approved, see 6 through 8.
6. For International Placements, students must submit an application with the Office of Global Education, 105 Fusion Space. Deadlines for submission are December 1<sup>st</sup> for the following Fall semester, and April 15<sup>th</sup> for the following Spring Semester. Students will work with both the Assistant Director of Global Education and the Director of Field Services throughout the application process. Expectation of a GPA of 3.0 or higher.
7. The student interviews with a student teaching supervisor.
8. The placement process proceeds.

PLEASE NOTE: Any additional expenses, paperwork or procedures beyond what UMF does for our student teachers will be the responsibility of the student making the *special* request. **UMF Field Services will make the placement contacts and will make the placements, or will work with the UMF Office of Global Education.**

Please contact Hiram Sibley, Director of Field Services, with any questions you may have regarding *Special Request Procedures*: [hiram.sibley@maine.edu](mailto:hiram.sibley@maine.edu), 778-7171 or Administrative Specialist, Kristin Hickey, [kristin.hickey@maine.edu](mailto:kristin.hickey@maine.edu), 778-7263.
